

## Wade Road

### From the Northway - going either north or south

- Take Northway Exit 5 and turn right at traffic light onto Watervliet-Shaker Road (RT 155).
- Drive about 1/2 mile turn/bear right onto Old Niskayuna Road (RT 160). Blue road signs will indicate the turn for this route.
- As soon as you turn onto Niskayuna Road, be prepared to take your first right onto the access road which brings you to the parking lot. This right comes up very quickly. Some landmarks are a small white house on the left-hand side and a fire hydrant on the right-hand side.
- Park near, and go in entrance #1. This is on the left side of the building.

### From Route 7 – Troy-Schenectady Road (From Schenectady)

- Turn Right onto Wade Road
- Drive approximately one mile on Wade Road and turn left into the parking lot directly across from street sign for Echo Lane, just beyond the chain link fence on left.
- Drive around the left of the building past entrance #2 and park and go in entrance #1.

### General Information

#### What does the Building look like?

From the outside the building looks more like a warehouse than an office. It is one story high and very long. The side of the building facing Wade Rd is a yellowish color, has no windows and has a couple of loading docks for trucks. The opposite side of the building is a greenish color, has a high row of windows running the length of the building, and looks like it's built on a hill.

#### Lunch

A break room with vending machines is located near entrance #1. A lunch room with food service is located near entrance #2.

#### Phone Calls

A phone is located near entrance #1. If you need to call Wade Rd, the phone number is 485-6856.
